RULES OF THE CONTEST

1. All participating teams are required to register using only one mail-id which shall be used for communication throughout the contest.

2. The contest duration is from 28th August to 1st September, 2017.

3. From 28th August, you will start receiving mails on your registered mail-id which shall give you clues for your destination, the hidden logo.

4. A track would be maintained of the top 20 entries each day on the basis of which, our winners would be decided. You have to make a submission each day through the Google form link provided in your mail.

5. Any team found sharing their answer links with others would be immediately disqualified.
